DEVELOPMENT REVIEW

If multiple development review application types can be heard at the same hearing, the applicant is eligible for a 50% discount off the least expensive review. Fees include the required \$15 recording fee and \$85 warning fee, if applicable. Except for sketch plan & administrative amendment applications, all applications are subject to an additional \$2 notice fee per adjoining property owner and application party. Development review decisions often require an applicant to obtain a zoning permit. Some decisions may require the applicant to establish an escrow for legal and/or technical review. If additional warned hearings are required, additional recording, warning and abutters fees apply.
