

MILTON BUSINESS DIRECTORY

UPDATED OCTOBER 4, 2018

Milton Business Directory is a free resource provided by the Town of Milton for residents, visitors and the wider business community. We hope that this directory will allow Milton residents to keep their dollars local to the greatest extent possible; offer visitors a comprehensive guide to Milton's wide extent of commercial establishments; and provide business owners and developers, both inside and outside of Milton, with a better understanding of the business potential in Milton.

Of course, while the Planning & Economic Development Staff has put in significant time and effort into compiling and organizing this directory, we do not guarantee that this is a complete listing of Milton's businesses. So, if you know of a Milton business that should be added to this directory - or if you have any corrections that could be made - please contact the Planning & Economic Development office at 893-1186 or vsinadinowski@town.milton.vt.us.

Please note that the appearance of a business in this directory does not signify the Town of Milton's endorsement or promotion of the business. Also, the appearance of a business in this directory does not necessarily mean that the business is in compliance with Milton's zoning regulations. For questions and inquiries about Milton's zoning regulations or the permitting status of a particular business, please contact the Zoning Administrator at 893-1186 or apitts@town.milton.vt.us.

The directory is organized according to the 13 categories below. It is constantly updated, so please check back for new and revised listings. All businesses are located in Milton, VT 05468.

Arts, Media, Music & Entertainment	2
Automotive & Transportation	2
Beauty & Personal Care	3
Business & Professional Services	4
Clothing & Accessories	4
