We currently have two rain gardens, one by the entrance to the Town Office and one at the end of the Town Office parking lot. A librarian mentioned that there once was a rain garden at the back of the library. Lucas said that might be a good site. L. DiCesare will ask if the library has any plans from the former rain garden and will

work with the Planning Dept. on site choice. Once we decide on a site, Lucas would be available for a rain garden installation / photo opportunity on Wed. June 10. A WNRCD grant would pay for the plants. Lucas also spoke with Hannah in Recreation.
