MACTAW VT Realty, LLC, owner/applicant, is requesting **Site Plan** approval for placement of fill within setbacks within a 1.6-acre area as a soil stabilization measure. The subject property is located at Lot 3 and 4 of the previously approved **Marketplace South PUD**. The subject property is described as Parcel 207015-002000, SPAN 396-123-12284. The subject properties are in the Checkerberry Commercial (M4-C) zoning district, and the Town Core planning area.

N. Smith administered the oath and read through the numbered items. David Marshall, engineer with CEA, attended the hearing representing the applicant.

1. The applicant is advised to provide a Permit Navigator Summary or Project Review Sheet to staff. Applicant shall secure permits identified.
2. Fill material must be uncontaminated and in accordance with section 3007.D.
3. DRB to determine allowance of the placement of fill in the zoning district setbacks.
4. Erosion control practices of section 3009 will be followed.
5. The applicant is advised to maintain surface water buffer areas in conformance with section 3011.
6. Applicant must maintain and operate site in accordance with performance standards of section 3208.
7. This project shall be completed, operated, and maintained as set forth in the plans and exhibits as approved by the Development Review Board and on file in the Department of Planning and Zoning, and in accordance with the conditions of this approval. No changes, erasures, modifications, or revisions, other than those required by this Decision (if applicable), shall be made on the plan after approval unless a revised plan is first submitted to the Department of Planning and Zoning for approval.
8. Applicant shall submit one (1) full-sized (to scale) and one (1) reduced (11 x 17) complete final plan sets depicting the requested changes (if required). The revised plans must be deemed Final by Planning Staff prior to being eligible for a Zoning Permit from the Zoning Administrator and/or recording the final survey plat. The Applicant is advised to submit an electronic .pdf plan for staff review prior to submitting all copies of the Final Plan set.

9. A Zoning Permit is required prior to placement of fill and an associated Certificate of Compliance is required following completion.
10. Omission or misstatement of any material fact by the applicant or agent on the application or at any hearing which would have warranted refusing the permit or approval shall be grounds for revoking the permit or approval at any time.
11. The DRB may schedule a site visit.
12. The DRB shall motion to recess or close this hearing. If recessed, a specific time, date, and place shall be designated to resume the hearing. If closed, the DRB shall issue a decision within 45 days.
