The subject property is recorded as having 0.98 acres and is located in the Downtown Business (DB1) zoning district, and the Town Core Planning Area.

Ed Ploof Jr, Start to Finish Construction, represented the applicant. B. Jenkins administered the oath and read through the numbered items.

1. *The applicant shall secure a Project Review Sheet or Permit Navigator Summary from the Department of Environmental Conservation and all applicable permits.*
2. *Applicant is advised to provide a table that includes the proposed dimensional standards on final plans.*
3. *Applicant to provide details on the proposed seating area and the fence proposed. DRB to determine if proposal meets requirements of section 2101.D(1).*
4. *DRB to determine if proposal meets requirements of section 2101.D(2).*
5. *DRB to determine if removal/relocation of parking area or vehicular areas is required.*
6. *Applicant is advised to show additional landscaping for better conformance with section 2101.D(3).*
7. *Applicant shall obtain State and Town approval for change in water allocation and State and Town connection permits for sewer or wastewater.*
8. *Applicant must provide erosion control and stormwater management plan to be reviewed and approved by the Department of Public Works prior to zoning permit approval.*
9. *Applicant to show existing delineated parking areas on site plan and the proposed parking spaces at the rear of the building.*
10. *DRB to determine if changes to parking areas are required.*
11. *Applicant shall show parking and loading areas in conformance with section 3202.F on final plans.*
12. *Applicant shall design and construct new parking and loading areas, and maintain all parking areas in accordance with section 3202.G and show on final plans.*
13. *DRB to determine if applicant has provided the best fix for the existing parking areas.*
14. *Applicant shall maintain and operate accessible (handicap) parking and loading areas in conformance with section 3202.I.*
15. *Applicant must provide a bike rack in accordance with section 3203.A, and show the location on the final plans.*
16. *DRB to determine if a right of way for future sidewalk meets the requirements of section 3203.B.*
17. *Landscaping required under this section or as a condition of approval must be maintained in a healthy condition. Dead or dying plants must be replaced within 1 growing season with a comparable plant (in terms of type, form, size at maturity, etc.) of at least the minimum size requirements specified in Figure 3-03.*

24. *DRB to determine if applicant has proposed "best fix" for the conformance with section 3209.*
25. *DRB shall determine if all the criteria for a General Variance have been met.*

- a. *The proposed land development will not alter the essential character of the area or district in which the property is located.*
 - b. *The proposed land development will not substantially or permanently impair the lawful use or development of adjacent property.*
 - c. *The proposed land development will not be detrimental to public health, safety or welfare.*
 - d. *The applicant has not created the unnecessary hardship.*
 - e. *The applicant is proposing the least deviation possible from these regulations that will afford relief.*
 - f. *There are unique physical circumstances or conditions, including irregularity, narrowness, or shallowness of lot size or shape, or exceptional topographical or other physical conditions peculiar to the particular property. These conditions, and not the circumstances or conditions generally created by the provisions of these regulations in the district in which the property is located, have created an unnecessary hardship for the applicant. These physical circumstances or conditions prevent the property from possibly being developed in strict conformity with these regulations and a variance is necessary to enable reasonable use of the property.*
26. *This project shall be completed, operated, and maintained as set forth in the plans and exhibits as approved by the Development Review Board and on file in the Department of Planning and Zoning, and in accordance with the conditions of this approval. No changes, erasures, modifications, or revisions, other than those required by this Decision, shall be made on the plan after approval unless a revised plan is first submitted to the Department of Planning and Zoning for approval.*
 27. *Applicant shall submit one (1) full-sized (to scale) and one (1) reduced (11 x 17) complete final plan sets depicting the requested changes. The revised plans must be deemed Final by Planning Staff prior to being eligible for a Zoning Permit from the Zoning Administrator and/or recording the final survey plat. The Applicant is advised to submit an electronic .pdf plan for staff review prior to submitting all copies of the Final Plan set.*
 28. *A Zoning Permit is required prior to construction and an associated Certificate of Compliance is required following completion.*
 29. *The Site Plan and Variance Approval shall expire three years from the date of issuance if the applicant does not receive a zoning permit by this date.*
 30. *Omission or misstatement of any material fact by the applicant or agent on the application or at any hearing which would have warranted refusing the permit or approval shall be grounds for revoking the permit or approval at any time.*
 31. *The DRB may schedule a site visit.*
 32. *The DRB shall motion to recess or close this hearing. If recessed, a specific time, date, and place shall be designated to resume the hearing. If closed, the DRB shall issue a decision within 45 days.*
