CHIEF OPERATOR EMPLOYMENT AD

The Town of Milton is looking to fill the following position in the Water/Wastewater Department.

Chief Operator

Supervisory duties in the operation and maintenance of the Town of Milton Municipal Water and Wastewater Facilities in order to provide adequate supply of safe, potable water for consumption, as well as a safe and effective wastewater treatment system.

The Chief W/WW Operator works under the general direction of the Water/Wastewater Superintendent. The Chief Operator is responsible for, but not limited to, supervising, assigning, reviewing, and participating in the work of staff responsible for performing a variety of tasks associated with the planning and operation of the Town of Milton's water treatment and distribution systems, including water quality, technical treatment processes, pumping stations, and State reporting. Additionally, the Chief Operator oversees and participates in maintaining and operating the Town of Milton's Wastewater Treatment Facility. The Chief Operator assists in developing and operating on-going programs in water distribution evaluation and wastewater collection and treatment systems, ensures work quality and adherence to established policies and procedures, and performs the more technical and complex tasks relative to the assigned area of responsibility.

Starting pay range for this position is \$33.00 - \$35.00 per hour, depending on experience and qualifications. This is an AFSCME union-track position.
